What makes a perfect playlist?

The life-changing songs. The out-of-print tracks. The hits. The fan favorites everyone loves. The songs that make the artists who they are.

This collection comprises fourteen of **Eddie Money's** best-known tunes, including three from the platinum-selling *Can't Hold Back*. In heart, soul, and arrangement, Money's songs often recall '60s rock and roll, R&B, and the Phil Spector/Brill Building sensibility that made the Ronettes' hits sound so grand yet so real. That's when Money's roots are showing, and it gives his songs a more enduring appeal. At his best, Money sounded like one of us; on these songs, he still does...

WHAT MAKES A PERFECT PLAYLIST...

Making the perfect Playlist takes a lot of time and effort.

Well, at least it *used* to.

Welcome to the Playlist series. We've fished through hundreds of tracks to cherry pick the perfect playlists. Not just the hits, but...the life-changing songs. The out-of-print tracks. The fan favorites everyone loves. The songs that make the artists who they are.

You'll no doubt enjoy the sound of the beautifully remastered songs on this CD, unlike the compromised sound of an MP3 file.

You might also like the fact that the packages are environmentally-friendly (no plastic, 100% recycled paperboard).

But we think the thing you'll appreciate most about this Playlist is that even though you didn't make it, you might wish you did.

Go to www.legacyrecordings.com/playlist for more information about this artist and other titles in the Playlist series.
